

PAY TELEPHONE ACCESS LINES

A. GENERAL

Pay telephone access lines are provided to payphone providers for use with customer-provided coin operated telephone equipment (payphone instruments that accept coins), customer-provided coinless telephone equipment, and inmate service telephone instruments that provide restricted calling service at penal institutions and other institutions of confinement.

The customer for pay telephone access lines is the payphone provider which is the individual or organization who subscribes to the pay telephone access line. Any party purchasing pay telephone access lines must be properly registered with the Commonwealth of Kentucky.

Pay telephone access lines are provisioned either for use with smart sets or dumb sets. The customer must specify to the Company which option it is choosing at the time of the placement of the initial order

Telephone instruments and service enhancing facilities are furnished by the payphone provider.

PAY TELEPHONE ACCESS LINES

B. TERMS AND CONDITIONS

Pay telephone access line customers must provide service in compliance with all state and/or federal rules and/or regulations regarding pay/public telephone service, alternative operator services, or any other services provided to the end user of the provider's payphone service. Failure to comply with this tariff or any related rule or order approved by this Commission or the FCC shall be grounds for disconnection. Pay telephone access lines may be denied or disconnected in accordance with Section 2, Part D.7. of this tariff. If service is temporarily denied, the customer must pay the nonresidence Restoral of Service Charge specified in Section 3, Part C.3.c. of this tariff for service to be restored.

The customer is responsible for the installation, operation and maintenance of customer-provided public telephones used in connection with pay telephone access lines.

Customer-provided public telephones and equipment must be registered and connected to the Company's network in compliance with Part 68 of the FCC's Rules and Regulations.

Pay telephone access lines may not be attached to other types of access lines and shall not be connected behind a PBX.

Pay telephone access lines cannot be included on accounts containing other classes of service. A separate account is required for this offering at each location.

The local calling area for pay telephone access lines in a given exchange is the local calling area specified in Section 3, Part B. of this tariff for that exchange.

The Company will block pay telephone access lines provided for use as inmate service from 101XXX calling.

Screening services are available for use on pay telephone access lines where facilities permit. (See the Company's Local Telephone Service Agreement – Kentucky for the rates, terms and conditions for these services. Nonresidence rates apply.)

PAY TELEPHONE ACCESS LINES

B. TERMS AND CONDITIONS (Continued)

The pay telephone access line customer will be charged for Directory Assistance and Operator Service calls made over the pay telephone access lines to which the customer subscribes. (See the Company's Local Telephone Service Agreement – Kentucky for the rates, terms and conditions for these services. Nonresidence rates apply.)

Pay telephone access lines do not include International Blocking Service (IBS). IBS is provided out of the Company's Access Service Tariff, PSCK No. 2.

Directory listings are not provided with pay telephone access lines. Directory listings may be added as shown in the Company's Local Telephone Service Agreement – Kentucky for nonresidence service.

The customer will be responsible for payment of a Maintenance of Service Charge as specified in the Company's Local Telephone Service Agreement - Kentucky for visits by a Company employee to the service location when a service difficulty or trouble report results from customer-provided equipment or facilities.

Other service options normally provided are available at normal nonresidence charges where such services are technically feasible.

The initial service period for pay telephone access lines is three months.
